

Act! Premium Windows®

# Getting Started with Act! Connect

*Start connecting to the tools and apps  
you love in just 3 easy steps!*

Available exclusively to Act! Premium subscribers, Act! Connect helps you make the most of your Act! data through integrated connections to other popular business tools. Automate everyday tasks to help you nurture leads, update contacts, communicate with your team, and learn more about your customers.

See Catalog

## Step 1.

Ensure you're on the latest version of Act! Premium - v19. Need to update? Download the update [here](#).

## Step 2.

Log in to Act! Premium, click *Act! Connect*, and find your Act! Connect URL at the top of the page.

## Step 3.

Create your first connection! Be sure to refer to your Act! Connect URL and have your database name, user ID, and password handy. Need help finding them? [Click here](#).

Important Note: Review Act! system and browser requirements at [act.com/systreq](http://act.com/systreq). Act! product capabilities and pricing vary based on edition and services chosen. One license is required for each Act! user. Act! Connect services require an active subscription, and use of either the Act! Web API or Act! Connect Link depending on deployment and access method. Services purchased through third parties are subject to the respective third party's billing policies and usage terms. Basic Act! emailing account included (email up to 500 contacts per month). View membership details at [swiftpage.com/billing-policy](http://swiftpage.com/billing-policy).
