

What's New in Act! Growth Suite

Marketing Automation Enhancements

June 2019

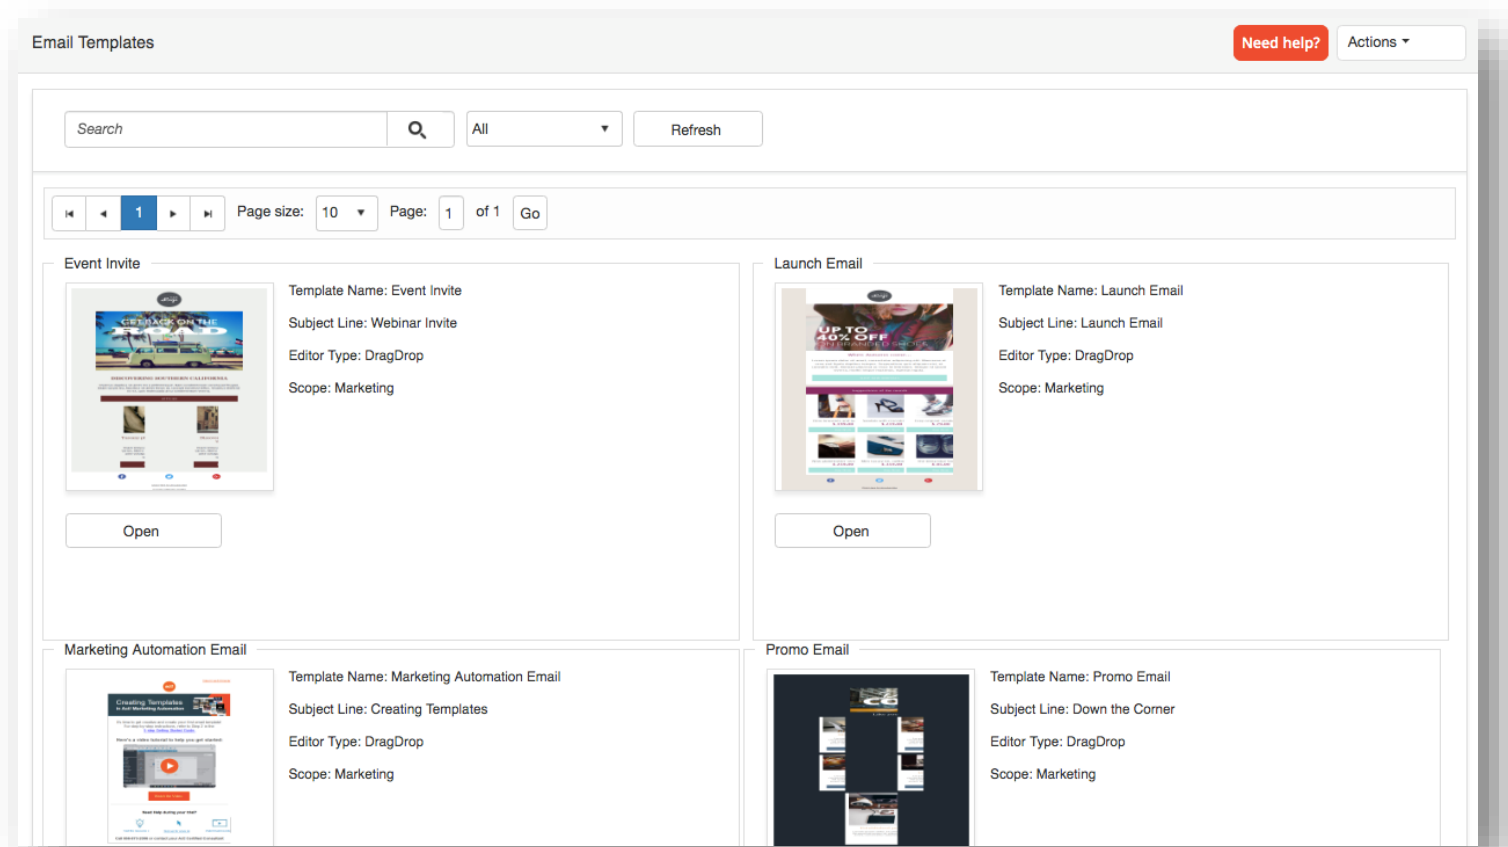

170+ New Email Templates

- ✓ Act! Growth Suite provides 170+ impactful new email templates that fit your industry, business, and communication style
- ✓ Choose from a diverse library of promotional, transactional, webinar, newsletter, and more email templates for building campaigns
- ✓ Campaigns will render beautifully on any device, because all email templates are mobile responsive

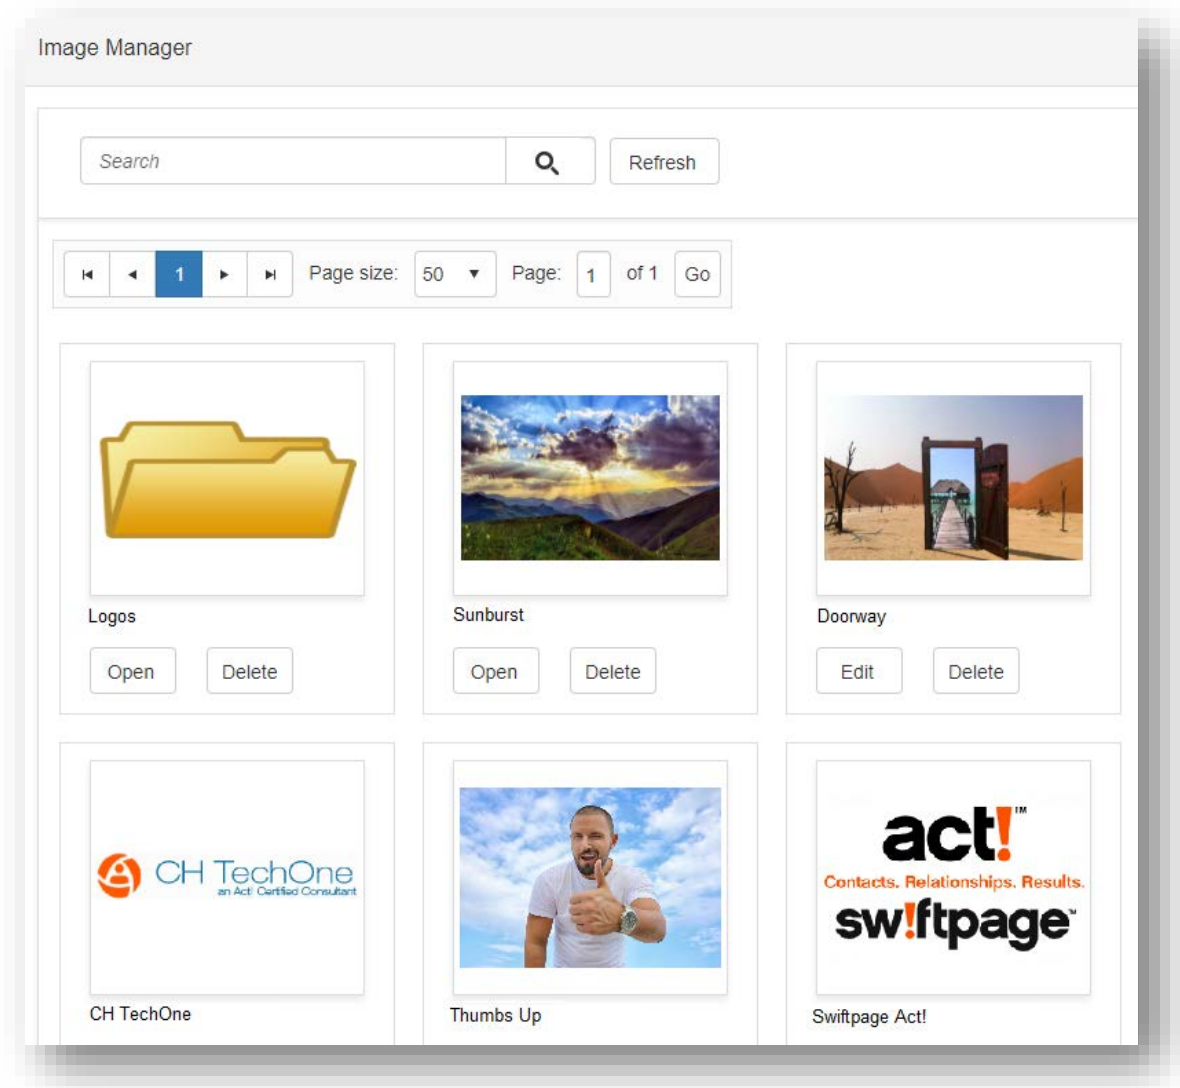

New Visual Workflow for Selecting Templates

- ✓ Act! Growth Suite includes a new visual workflow for selecting email templates, making it easy to find what you need for campaigns
- ✓ See a thumbnail of available email templates or search to quickly find the email template you need

New Image Manager

- ✓ Act! Growth Suite includes a new image manager, helping you find the visuals you want to use in your campaigns in an instant
- ✓ Create and manage folders to categorise your images
- ✓ Even edit images directly from the image manager
